This AGREEMENT, made and entered into on the start date listed above, between the STATE OF WASHINGTON, Department of Transportation, acting by and through the Director, Strategic Planning and Programming Division, hereinafter called the "STATE," and the above named Metropolitan Planning Organization/Regional Transportation Planning Organization, hereinafter called the "MPO/RTPO."

WHEREAS where the above named county(ies) includes urban areas with a population in excess of fifty thousand individuals, a metropolitan planning organization has been designated for each urban area pursuant to Title 23 USC Section 134.

WHEREAS, the STATE has funds available, allocated in part through the United States Department of Transportation, hereinafter called "USDOT," Federal Highway Administration, hereinafter called "FHWA," and the Federal Transit Administration, hereinafter called "FTA," and/or STATE RTPO funds, and possibly funds from other Federal or state agencies which can be used to facilitate urban and regional transportation planning.

NOW THEREFORE, it is mutually agreed as follows:

I Work Scope and Budget

The work scope and budget for this Agreement shall be documented annually in a Unified Planning Work Program hereinafter called "UPWP." The UPWP shall be adopted by the MPO/RTPO and submitted to the state prior to May 31 preceding the start of each subject fiscal year.

The STATE will inform the MPO/RTPO of expected allocations of FHWA Planning funds (PL funds) and FTA Section 5303 funds (when administered by the STATE), STATE RTPO funds and any other STATE administered funds that are available to MPO/RTPOs by December 31 each year for the following fiscal year. The MPO/RTPO will then prepare a draft UPWP and submit the draft to the STATE by March 16 each year for the following fiscal year. However, the MPO/RTPO may prepare a two year UPWP if they desire. Amendments to the two year UPWP will be required in order to authorize expenditure of all federal funding and to manage federal obligation authority.

The UPWP shall document all transportation and related planning activities for the ensuing fiscal year, July 1 to June 30. The UPWP shall include for each work element a description of the proposed work, an indication of the agency performing the work, and a budget which itemizes funding sources by work element and task. Local match shall be itemized separately. The local match required for FHWA PL funds and FTA Section 5303 will be based on a blended ratio as provided for in the Consolidated Planning Grant Program. The blended ratio will be determined by the state and forwarded to each MPO/RTPO when federal funds are obligated. Each MPO/RTPO will have a unique match ratio. The blended match ratio will be recalculated when new FTA Section 5303 funds or FHWA PL funds are added to an MPO/RTPO UPWP. Under no circumstances shall the MPO/RTPO required match amount be less than the required 13.5% match for FHWA PL funds and the 20% match for FTA Section 5303 funds if determined separately.

The STATE shall notify the MPO/RTPO by letter of its approval of the UPWP for the subject fiscal year. The MPO/RTPO shall perform the approved work tasks within the approved budget during the subject fiscal year. The STATE's letter of approval incorporates the adopted UPWP and budget for the subject fiscal year.

II Planning Standards and Guidelines

The MPO/RTPO shall comply with the Planning Standards and Guidelines developed by the STATE for the Regional Transportation Planning Program, and any amendments made thereto. In addition, the MPO must comply with 23 CFR, Part 450 and 49 CFR, Part 613 "Planning Assistance and Standards."

The MPO/RTPO shall recognize mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 USC Section 6321 et seq.).

IV Payment

The STATE agrees to reimburse the MPO/RTPO's actual direct and related indirect costs of work approved as part of the UPWP. The maximum amount that the STATE shall reimburse the MPO/RTPO shall not exceed the total approved FHWA, FTA, and STATE RTPO funding included in the UPWP approval letter and contained in an adopted UPWP. All costs must be consistent with the federal cost principles contained in OMB Circular A-87 or its replacement.

All indirect costs will be based on an indirect cost rate supported by a STATE accepted indirect cost allocation plan. Annually, the MPO/RTPO shall prepare an indirect cost allocation plan which covers all anticipated indirect costs for the current calendar year, plus any carryover from the previous calendar year. The STATE will not reimburse any indirect costs not covered by an approved MPO/RTPO indirect cost allocation plan.

The MPO/RTPO shall submit to the STATE requests for funds as they are expended on UPWP activities, but not to exceed one such request every month. Such requests for reimbursement shall document the amount of funds that have been expended during the period for the total project, as well as for the current billing period. The STATE shall review and approve each request for payment in an expeditious manner and shall make payment within 30 days after approval of the payment request.

V Reports

The MPO/RTPO shall, from time to time during the progress of the work, confer with the STATE. The MPO/RTPO shall prepare and present to the STATE an annual progress report. The report shall be completed and submitted to the STATE within 30 calendar days following the end of each fiscal year. The STATE however, reserves the right to request an interim report(s) during the fiscal year. The interim report(s) is due to the STATE within 21 calendar days of being notified in writing by the STATE. The interim report(s) shall include a summary of work progress during the course of the fiscal year, costs incurred in accordance with the approved UPWP and budget, and progress to date, including any problems or work delays. The STATE may delay reimbursement of billings if the requested interim report(s) is not submitted in a timely manner.

Within 30 days after the conclusion of each fiscal year, the MPO/RTPO shall prepare and submit to the STATE a final progress report. This final report shall summarize work accomplished under the UPWP, costs incurred by work element, and shall identify any carryover of funds.

VI Assignment of Work Items

The work items may be accomplished by joint effort between the staff of the MPO/RTPO, the STATE, and/or local government agencies. Such assignment will be clearly listed in the UPWP.

VII Project Records

MPO/RTPO shall establish and maintain books, records, documents, and other evidence and accounting procedures and practice, sufficient to reflect properly all direct and indirect costs of whatever nature claimed to have been incurred and

anticipated to be incurred for the performance of this Agreement. To facilitate the administration of the Project, separate accounts shall be established and maintained within MPO/RTPO's existing accounting system or set up independently. Such accounts are referred to herein collectively as the "Project Account."

MPO/RTPO shall charge to a Project Account all eligible costs of the Project. Costs in excess of the latest approved budget or attributable to actions which have not received the written approval of the STATE, shall not be eligible costs. All costs, charged to the Project, including any approved services contributed by MPO/RTPO or others, shall be supported by properly executed payrolls, time records, invoices, contracts, or vouchers evidencing in proper detail the nature and propriety of the charges.

The STATE, the USDOT, FTA, FHWA, the State Auditor, and the Inspector General and any of their representatives shall have full access to and the right to examine, during normal business hours and as often as they deem necessary, all of the MPO/RTPO's records with respect to all matters covered by this Agreement. Such representatives shall be permitted to audit, examine, and make excerpts or transcripts from such records and to make audits of all contracts, invoices, materials, payrolls, and other matters covered by this Agreement. All documents, papers, accounting records, and other material pertaining to costs incurred in connection with the Project shall be retained by the MPO/RTPO for three years from the date of completion of the Project to facilitate any audits or inspections.

Furthermore, if any litigation, claim, or audit arising out of, in connection with, or related to this Agreement is initiated before the expiration of the three-year period, the cost records and accounts shall be retained until such litigation, claim, or audit involving the records is completed. In accordance with OMB Circular A-133 regulations, the MPO/RTPO is required to arrange for audit of funds expended. All MPO/RTPOs expending \$300,000 or more of federal funds in a year must have an annual audit in accordance with OMB Circular A-133.

IX Modifications

Either party may request changes in these provisions. Work scope and budget changes shall be made by written amendment to the UPWP by the MPO/RTPO and approved in writing by the STATE. Other changes to this Agreement which are mutually agreed upon shall be incorporated as written amendments to this Agreement. No variation or alteration of the terms of this Agreement shall be valid unless made in writing and signed by authorized representatives of the parties hereto.

This Agreement expires on the date shown in the Terms of Agreement heading. If it is determined to be in the best interests of the STATE, the STATE may terminate this Agreement upon giving ten (10) days notice in writing to the MPO/RTPO. If this Agreement is so terminated prior to fulfillment of the terms stated herein, the MPO/RTPO shall be reimbursed only for actual expenses and noncancelable obligations, both direct and indirect, incurred to the date of termination.

The MPO/RTPO shall comply with all current federal and state laws and regulations governing the selection and employment of consultants. The STATE reserves the right to appoint a representative to serve on the Consultant Selection Committee. A list of parties excluded is available on the GSA website at www.arnet.gov/epl.

b. **Violation; Liability for Unpaid Wages; Liquidated Damages.** In the event of any violation of the clause set forth in paragraph (b)(1) of 29 CFR Section 5.5, MPO/RTPO and any subcontractor responsible therefore shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such district or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic including watchmen and guards, employed in violation of the clause set forth in subparagraph (b)(1) of 29 CFR Section 5.5 in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard work week of 40 hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of 29 CFR Section 5.5.

c. **Withholding for Unpaid Wages and Liquidated Damages.** STATE or MPO/RTPO shall, upon its own action or written request of an authorized representative of the Department of Labor, withhold or cause to be withheld, from any moneys payable on account of work performed by MPO/RTPO or subcontractor under any such contract or any contract subject to the contract Work Hours and Safety Standards Act which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (b)(2) of 29 CFR Section 5.5.

d. **Nonconstruction Grants.** MPO/RTPO or subcontractor shall maintain payrolls and basic payroll records during the course of work and shall preserve for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records

shall contain the name and address of such employee, social security number, correct classification, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. The records to be maintained under this paragraph shall be made available by MPO/RTPO or subcontractor for inspection, copying, or transcription by authorized representatives of the STATE and the Department of Labor, and MPO/RTPO or subcontractor will permit such representative to interview such employees during working hours on the job.

XXV Independent Contractor

The MPO/RTPO shall be deemed an independent contractor for all purposes and the employees of the MPO/RTPO or any of its contractors, subcontractors and the employees thereof, shall not in any manner be deemed to be employees of the STATE.

XXVI Liability

No liability shall attach to the STATE or the MPO/RTPO by reasons of entering this Agreement except as expressly provided herein.

XXVII Severability

If any covenant or provision in this Agreement shall be adjudged void, such adjudication shall not affect the validity, obligation, or performance of any other covenant or provision which in itself is valid, if such remainder would then continue to conform to the terms and requirements of applicable law and the intent of this contract.
